

United States Senate

SENATE STEERING COMMITTEE

President George W. Bush
The White House
1600 Pennsylvania Avenue N.W.
Washington, D.C. 20500

Dear Mr. President:

We respectfully ask that your Administration enforce the border security laws that have already been authorized by Congress regardless of whether the Senate passes the immigration reform bill. The bill assumes that several critical border security benchmarks can be achieved within 18 months. These security triggers are already authorized under current law and can be completed without the immigration bill. We believe these enforcement measures are vital and should not wait until Congress passes additional immigration reforms.

Securing the border is the best way to restore trust with the American people and facilitate future improvements of our immigration policy.

Sincerely,
