

Dr. Coburn's Prescription for Health Care Reform

More Patient Choices. More Family Savings. Less Government Control.

Nine out of 10 Families Save Money. You Choose For Your Family

High income family with employer plan: **saves \$3,330**

Middle income family with employer plan: **saves \$3,460**

Uninsured family: **\$5,330** of purchasing power to buy a quality plan

Low-income uninsured mom with kids: covered, and **saves \$1,710**

Patient Choice

- Your Current Health Plan
- Your Employer's Plan
- Health Maintenance Organization
- Preferred Provider Organization
- Health Savings Account
- Flexible Spending Account
- Fee for Service Plan
- Customized plan for chronically ill

All patients can choose a health plan, regardless of pre-existing conditions or age.
